

White Tiger Internet Gaming LLC Parental Consent Form

White Tiger Internet Gaming is dedicated to protecting your child from any type of harm. Our facility is completely free of drugs, alcohol, and violence. We also prohibit the viewing of any type of pornographic material. Customers who fail to follow our rules will be asked to leave. We believe that the environment at White Tiger Internet Gaming encourages social interaction, friendly competition, and a fun experience. Some games do depict graphical violence or suggestive sexual themes. The Entertainment Software Review Board (www.esrb.com/esrb_about.asp) has established a rating system, similar to the movie rating system, that groups games by suggested age group. We are often open fairly late at night, or even overnight. It is our policy that no one under 16 years of age may remain in the store after 10:00PM unless accompanied by someone 18 years of age or older; and no one under 18 years old may remain after midnight, unless accompanied by someone 18 years of age or older. Please fill out the appropriate section below if you wish to allow your child to remain later than our normal policy permits or have access to a rating level above the suggested guidelines.
